Implementing Student Mental Health Systems with Grant Funding

February 8, 2024

Dana Walburn, LCSW
Business manager

Bring More Joy

mdlogix *home of bhworks software*

Objective

Utilizing grant funding to expand and enhance comprehensive school-based mental health systems.

Project AWARE (2020-2025)

> MH Literacy, Collaboration/Teaming, MTSS, Workforce, Cultural

> Responsiveness and Equity, Data Decision Making

Trauma Informed Services in Schools (2022-2026)

> Collaboration/Teaming, MTSS, EVB Practices, Cultural Responsiveness and Equity, Data Decision Making

Mobilization

- Key Stakeholders

- Kick-Off

- Roles + Responsibilities

-

Make a Plan

- LEA Engagement

- Time + Frequency of Partner Meetings

- Identify needed data

-

Data

- Data definitions
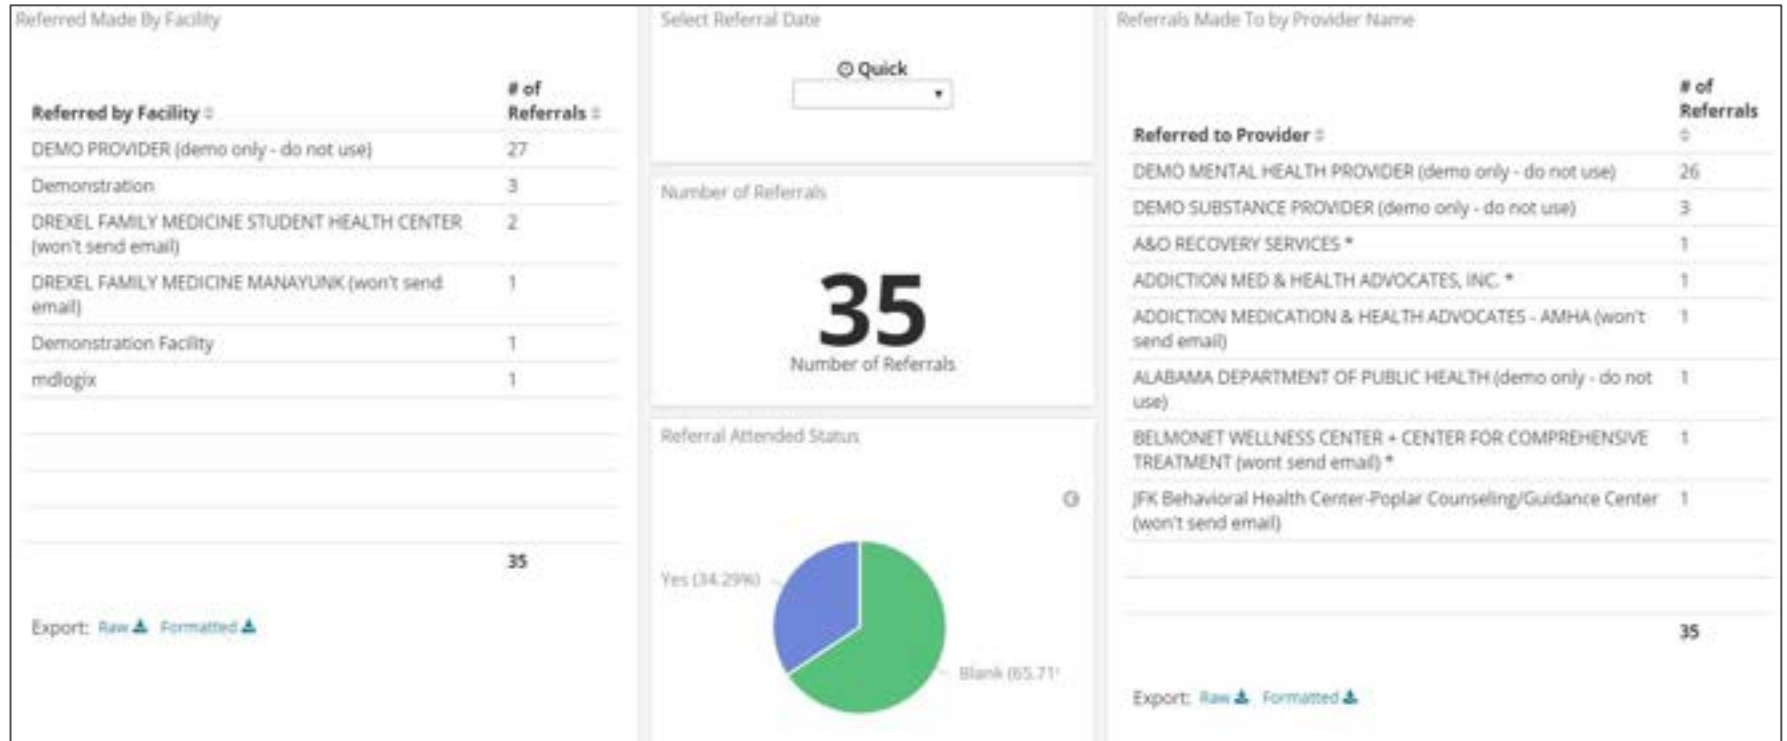

- Data sources

- Data reporting
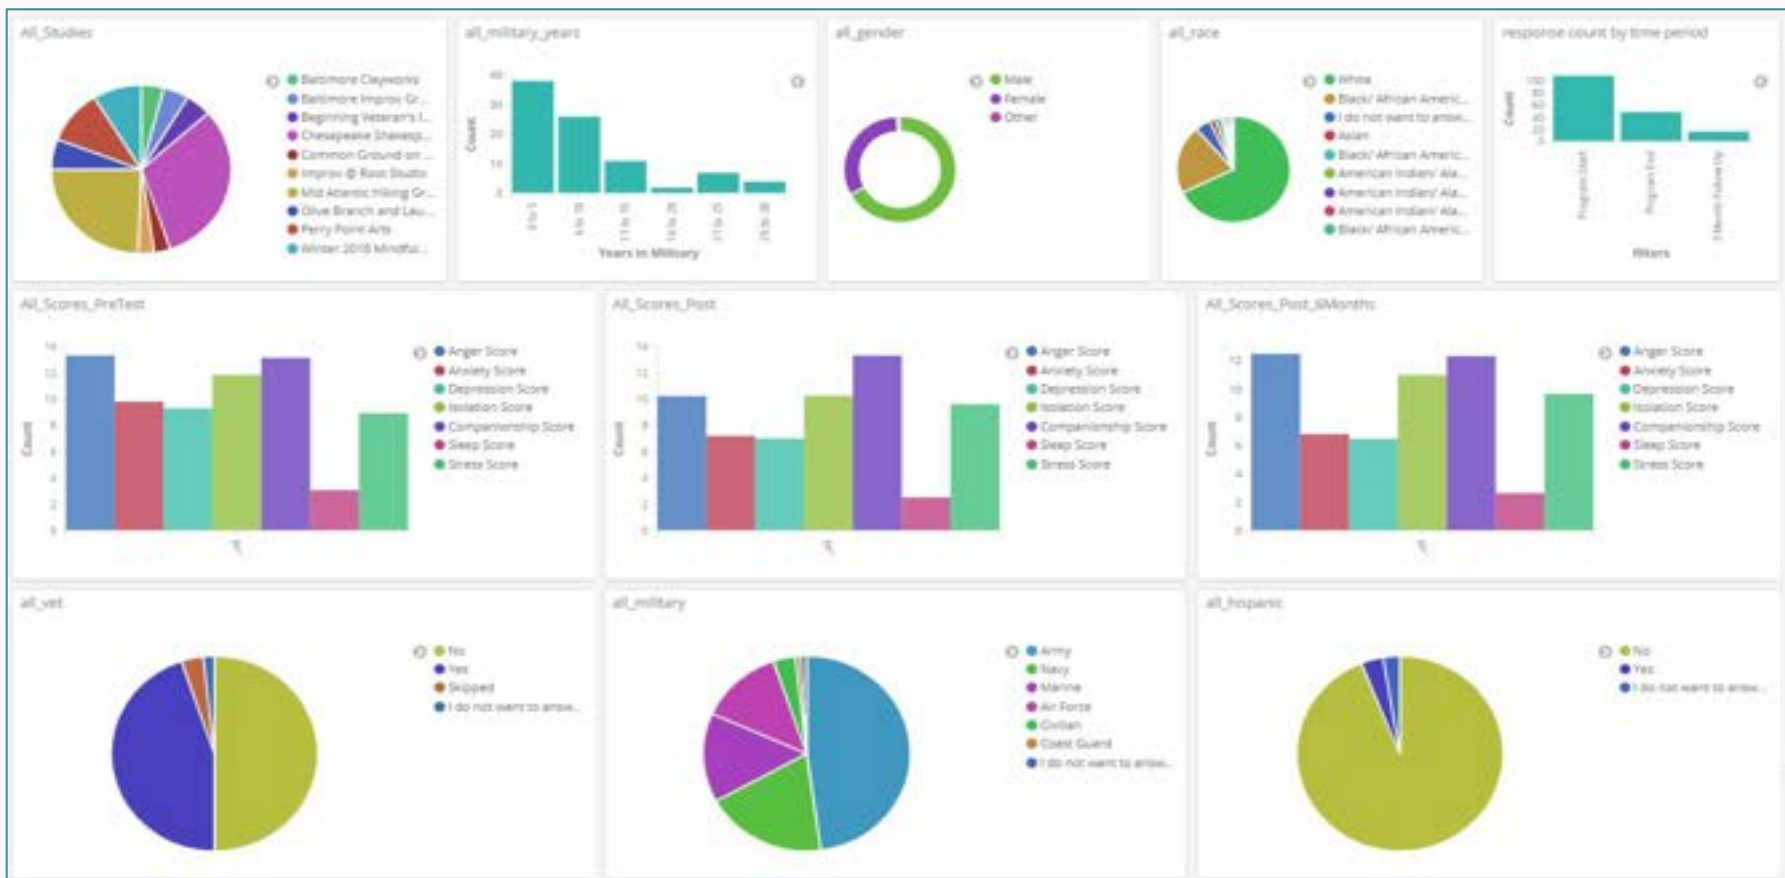

Progress Monitor + Share

- Student Level

- System Level
