1st Quarter Multi State Collaborative Meeting

The Multi State Collaborative, organized by mdlogix, *home of the [bhworks](#) student mental health software system*, was established in spring 2022 to enable those working to prevent, treat, and solve youth behavioral and mental health issues to collectively share best practices across states.

The collaborative meets every quarter (invitation only) for one hour on pressing topics chosen by the group. Its web page is <https://mdlogix.com/community/>

The Bigger Picture: Improve Mental Health & Save Lives

Share Best Practices in: Referral; Screening & Assessments; Safety Planning; Care Management/Coordination; Billing; Reporting

bhworks software platform as the integrated technology infrastructure

Share resources for grants and other funding source/availability (Project AWARE; GLS; etc.)

Share national policy and leading evidence-based trainings
